Mistaken Diagnosis-Doctors Guess Wrong Again

About five years ago I wrote to you I had been a terrible sufferer from kidney and bladder troubles, and that my physician informed me that my left kidney was in such condition that there was no hope for my recovery. I was advised to try your Swamp-Root as a last resort, and after taking four fifty-cent size bottles, I passed a gravel stone which weighed ten grains. I afterwards forwarded you this gravel stone. Have had no return of any trouble since and cannot say too much in much in favor of your wonderful preparation, Swamp-Root, which cures, after physicians fail.

Very truly yours,
F. H. HORNE,
Route 3, Box 30, Roseboro, N. C.
Personally appeared before me, this 31st day of July, 1909, F. H. HORNE, who subscribed the above statement and make oath that the same is true in substance and in fact.

JAMES M. HALL, Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will do for You.

Send to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. It will convince anyone. You will also receive a booklet of valuable information, telling all about the kidneys and bladder. When writing, be sure and mention the Earlington Semi-Weekly Bee. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

For Perfect Peace.

Nothing can bring peace but yourself. Nothing can bring you peace but the triumph of principles.—Emerson.

Inoperative Adage.

"Politics makes strange bedfellows," said the ready-made philosopher. "Not our way," rejoined Senator Sory. "When a man goes into politics there he doesn't have time to sleep."

A Girl's Wild Midnight Ride

To warn people of a fearful forest fire in the Catskills a young girl rode horseback at midnight and saved many lives. Her deed was glorious, but lives are often saved by Dr. King's New Discovery in curing lung trouble, coughs and colds, which might have ended in consumption or pneumonia. "I cured me of a dreadful cough and lung disease," writes W. B. Foster, son, Wellington, Tex., "after four in our family had died with consumption, and I gained 87 pounds." Nothing so sure and safe for all throat and lung trouble. Price 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

Touching Tenderness.

A tender parent has been discovered in New York. Having been warned that the milk he sold to others and fed to his own babe was slowly killing the latter, he promptly took an expensive bottled milk for the child, though he cheerfully continued to supply the infants of his poorer neighbors with the condemned stock.

Lively as a Boy.

A Hero in a Lighthouse

For years J. S. Donahue, So, Haven, Mich., a civil war captain, as a lighthouse keeper, averted awful wrecks, but a queer fact is, he might have been a wreck himself, if Electric Bitters had not prevented. "They cured me of kidney trouble and chills," he writes, "after I had taken other so called cures for years without benefit and they also improved my sight. Now, at seventy, I am feeling fine. For dyspepsia, indigestion, all stomach, liver and kidney troubles, they're without equal. Try them. Only 50c at all druggists."

Value in Giving.

In giving, a man receives more than he gives, and the more is in proportion to the worth of the thing given.—George MacDonald.

Natural Longing.

You cannot expect the working classes to see luxury, wealth and ease without longing for a share.

The Mote in Your Own Eye.

If you find yourself thinking more of the bad points of your friends and relatives than of their good ones, just stop a moment and ask yourself how you would like people to get into the habit of doing the same with you. Then start again right away and do better next time. Everybody has good points. Try to see them.—Angus.
